§ 39-1. Fire protection contract.

Pursuant to § 66.0301, Wis. Stats., the Village Board authorizes the President and Clerk to execute such contracts as are approved by the Village Board from time to time to procure fire protection service for the Village. All such contracts shall be presented to and approved by a majority of the Board before execution and shall afford the Village the most efficient and highest quality fire protection as economically feasible.

§ 39-2. Notification of change.¹

If there is to be a change in fire protection services, the Village shall provide one year of notice for such change of services.
