

Pursuant to Wis. Stat. §5.40(7), and on behalf of all Door County Municipal Clerks, please be advised that Door County has purchased the Dominion Image Cast Evolution (ICE) voting units for all Door County municipalities. All units purchased are the ICE machines, and there were no Dominion Image Cast Precinct (ICP) units purchased in Door County. The new units will be used in all Door County municipalities at all polling locations beginning with the February 16, 2016, spring primary election.

Please confirm that this notification from the County Clerk's office is sufficient to meet the statutory requirement that Municipal Clerks notify the Government Accountability Board when there is a purchase of a different type of voting equipment.

If you have any questions, please feel free to contact me.

Thank you,

Jill
